

VUE A

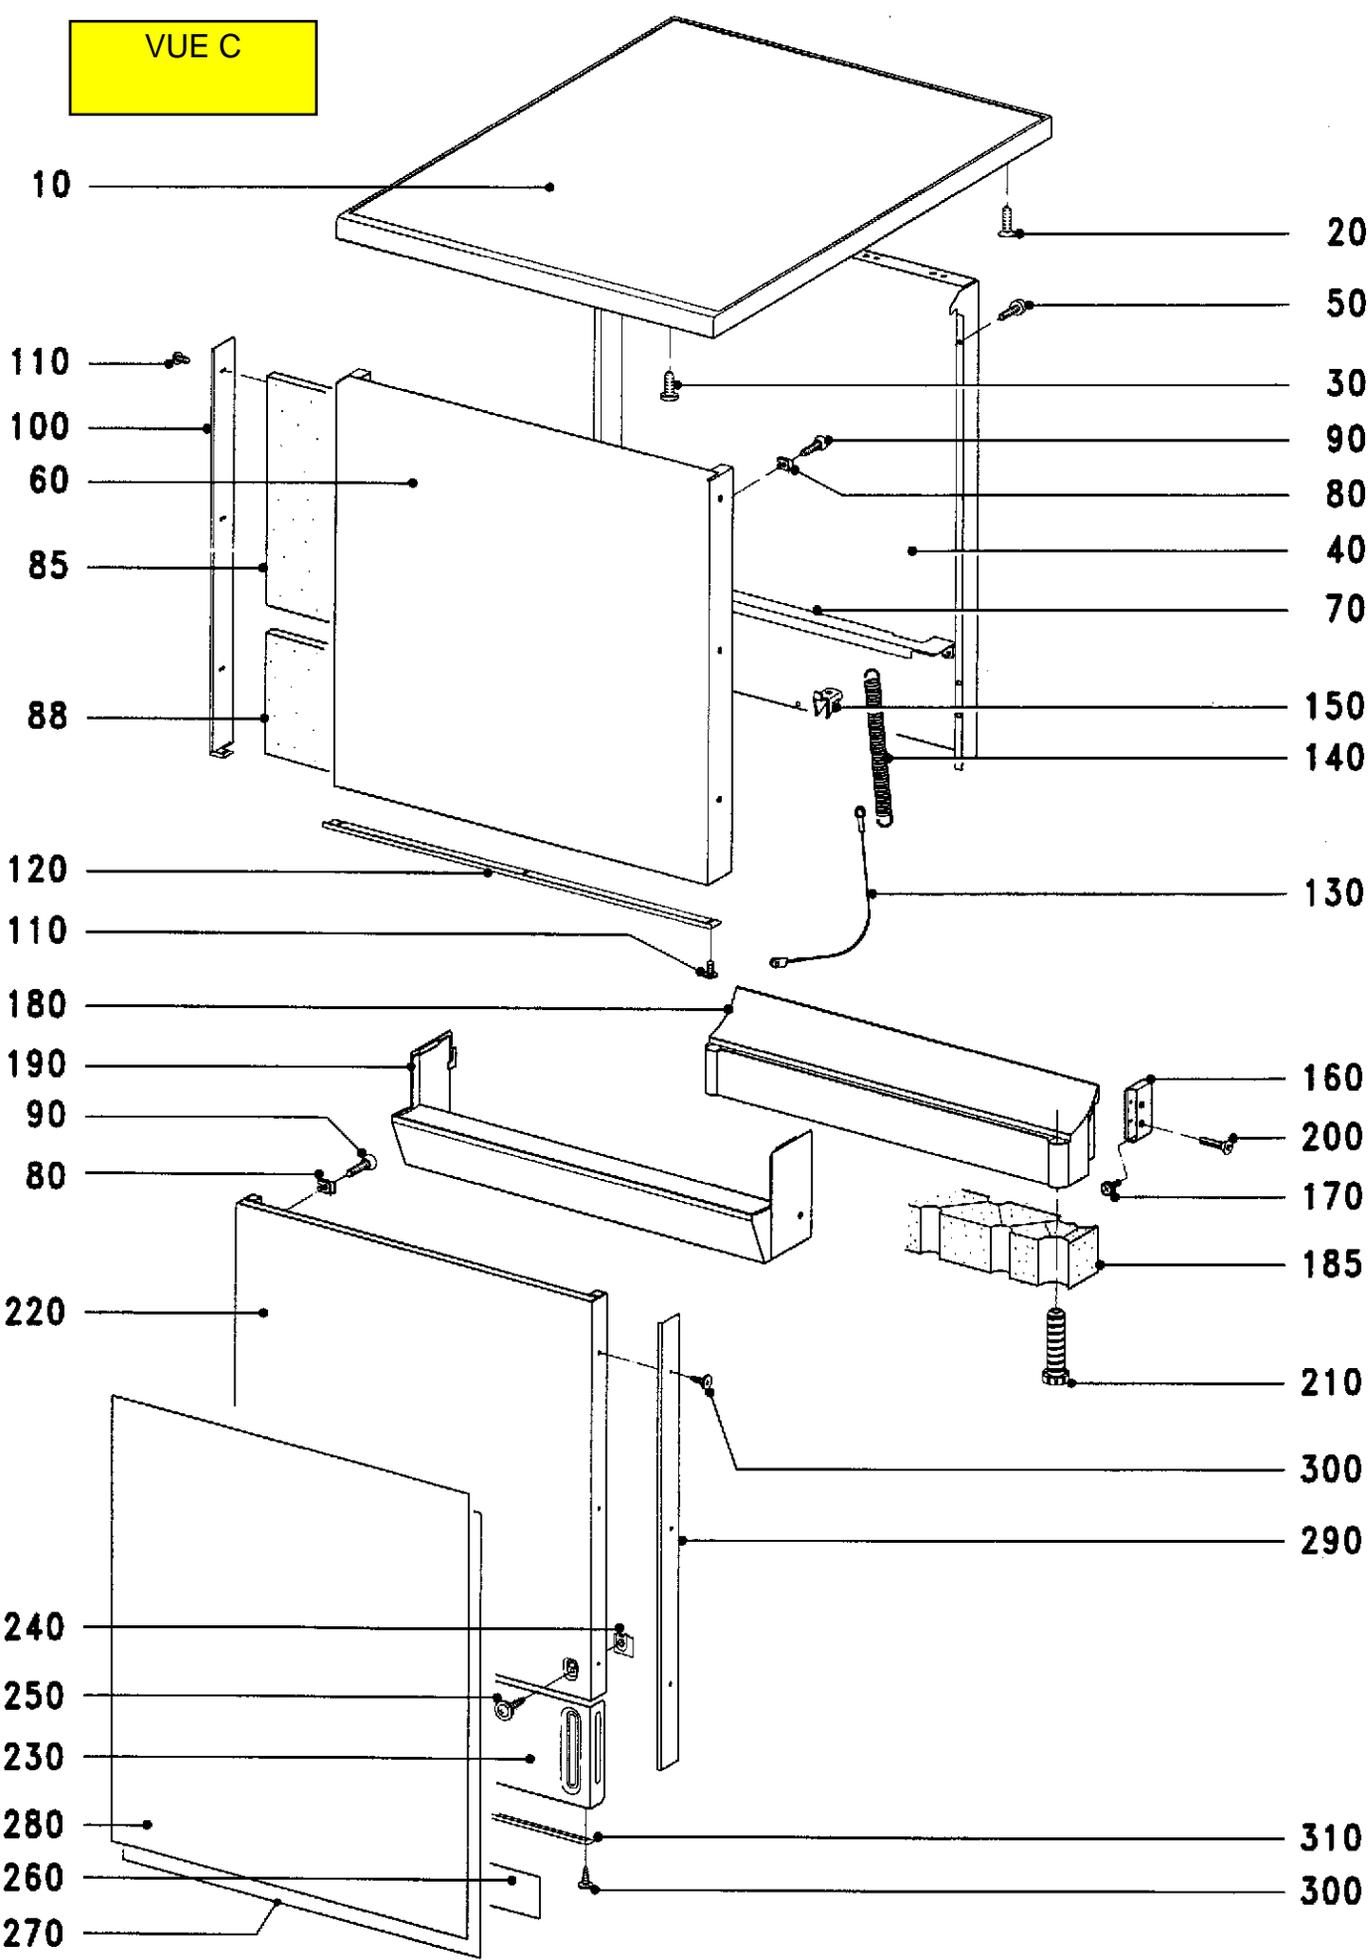

VUE B

This diagram shows an exploded view of a door assembly. The main door frame is centrally located. To its left, a circular component (220) with a handle (260) is shown. Above it, a smaller component (235) is visible. To the right, a large handle assembly (170) is shown with various mounting brackets (130, 160, 150, 140, 135) and a circular cap (180). Below the door frame, two long horizontal rails (30, 20) are shown. At the bottom right, a small rectangular component (40) is shown. The diagram includes numerous other small parts like screws, pins, and brackets, all indicated by numbered callouts.
